

VVE the Officers of the Militia of the City of *Dublin*, whose Names are under written, cannot but take notice with grief, That notwithstanding the Declaration published and attested by the Mayor, Sherifs, Commons, and Citizens of the said City, wherein they have asserted to all the world, their resolutions to ad here constantly and faithfully to the Parliament in *England* in their fulness and freedom, diverse ill affected persons have given out that there are designs amongst us to divide from *England*, which we are so far from intending, That we do hereby engage to acquiesce cheerfully in what the present Council of State, or the Parliament of *England*, or those deriving authority from them or either of them shall determine, in order to a well grounded peace and general settlement of these Nations, and to maintain the same (as God shall enable us) with the hazard of our lives and estates against all opposers.
